Notwithstanding the foregoing, the Board may authorize any officer, Member, committee or manager to approve and pay all vouchers for payment of routine expenses incident to the maintenance, repair, alteration or replacement of the Common Areas or Facilities, so long as the resolution granting such authority specifically states those items that may be so paid.

Section 9. Erosion Control. Lot Owners are responsible for the maintenance and implementation of erosion control with respect to the Owners Lot. The Declarant retains the right to pass on the fine to the Owner in the event the Declarant is fined for erosion control issues with respect to the Owners Lot. The Declarant retains the right to enter onto the Owner's property to install or correct any erosion control violation and will pass that cost and expense, including reasonable attorney fees through to the Owner.

ARTICLE VII

EASEMENTS

Section 1. Utility Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and the properties shall be further subject to such additional easements for installation and maintenance of utilities and drainage facilities as are reasonably necessary for the construction of dwelling units by Declarant and purchasers of undeveloped Lots from Declarant. Within these easements no structure, planting or other materials shall be placed or permitted to remain which may interfere with the utilities or which may change the direction of flow or drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels. Easements as required to correct and install drainage and utility installations are reserved by the Declarant over the Common Area and for a distance of five(S) feet along and with all Lot lines until development with dwellings is complete and functional. If corrections are necessary over a Lot that has been conveyed and improved, the party performing the correction shall repair and replace any damage to the landscaping and improvements in a reasonable manner and extent.

Section 2. Easements Reserved to Declarant. Declarant reserves and retains nonexclusive easements for ingress, egress and regress and for the installation of all types of utilities and drainage over the Common Area and Lots necessary and desirable in the development of the subdivision to completion and for access over all roads until the Property is totally developed with dwellings on each lot.

ARTICLE VIII

COVENANTS OF OWNER TO KEEP UNITS INSURED AGAINST LOSS, TO REBUILD AND TO KEEP IN GOOD REPAIR

The Declarant covenants with the Association, on behalf of itself and on behalf of each subsequent Owner of a Lot within the Properties, and each Owner of any Lot within the Properties, by acceptance of a deed therefore whether or not it shall be so expressed in said deed, or by exercise of any act of ownership, is deemed to covenant:

(1) To keep each dwelling unit upon a Lot insured against loss by fire with what is commonly called extended coverage in an amount equal to at least ninety percent (90%) of the replacement value of such dwelling.

(2) Subject to the provisions and covenants contained in any mortgage or mortgages, deed of trust or deeds of trust creating a lien against any Lot, to apply the full amount of any insurance proceeds to the rebuilding or repair of the dwelling.

(3) To rebuild or restore the dwelling in the event of damage thereto: and

(4) To keep the dwelling and appurtenances, excluding common ground, in good repair as provided by the bylaws, this Declaration and the rules and regulations adopted from time to time by the Board of Directors.

In the event of nonpayment of any premium for insurance required under this Article VIII, the Association is authorized to pay such premium, and sums so paid shall be due on demand and become a lien upon the insured Lot and a personal obligation of the Owner which shall be enforceable in the same manner and to the same extent as provided for enforcement of liens for assessments hereunder. This is a right to do so and not an obligation of the Association.

ARTICLE IX

GENERAL PROVISIONS

Section 1. Enforcement. The Association, through its Board of Directors, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration.

Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment by Members. The covenants and restrictions of this Declaration shall run with and bind the land. This Declaration may be amended by an instrument signed by not less than sixty-six and two-thirds percent (66 2/3%) of the Lot Owners. Any amendment is to be properly recorded in the Forsyth County Register of Deeds Office. No amendment shall affect the rights of the Declarant unless approved by the Declarant in writing.

Section 4. Annexation. Additional contiguous residential property and Common Area may be annexed to the properties by the Declarant without approval of the Members or the Association until the Declarant sells all the Lots and dwellings are constructed thereon and thereafter with the consent of two-thirds (2/3) of the Class A Members. The separation of property by streets, easements, creeks or common area shall be deemed to be contiguous.

Additional properties as annexed, if any, shall become a part of the Properties as defined herein and shall be subject to the provisions of this Declaration, the Bylaws and the Articles of Incorporation of the Association.

Section 5. Storm Water Control Measures. Declarant has entered into a Maintenance Escrow Agreement with the Town of Kernersville, NC, (recorded in Book 3505, page 2094, Forsyth County Registry) that requires for the care maintenance and operation of Storm Water Control Measures (SCMs) in compliance with all governmental regulations by the Declarant-Developer until such time as an assignment and transfer of such obligations by a "Notice of Transfer of Ownership" form being submitted. The SCMs are part of the common area and the Association will maintain and operate the same in accordance with law and accept the obligations imposed by the governmental authorities having jurisdiction upon the Declarant-Developer submitting the Notice of Transfer of Ownership form without further acceptance or approval. If the Association should be dissolved or cease to exist, then in that event all Owners of a lot in the property shall be responsible for a pro rata share of the expense by dividing the total number of Lots into the costs of operating, maintaining, repair and replacement of the water quality pond and equipment. If governmental requirements are not met then the same may be complied with by the governmental authority having jurisdiction and all lot owners shall be personally liable for a pro rata share of the costs and if not paid when requested then collection can be collected from each owner and each non-paying owner's lot may be foreclosed upon to obtain funds to pay for such requirements.

In addition, the Town of Kernersville is requiring that the Association enter into a Maintenance Escrow Agreement that the Association through assessment of its Members deposit in five annual installments two-thirds (2/3rds) of the cost of construction of the SCMs and in an additional five annual installments one-third (1/3rd) of the cost of construction of the SCMs. These funds will be used to handle the necessary and required maintenance of the SCMs and associated easements. Any amendment of this Section 5, will require the written approval of the Town of Kernersville.

Section 6. Amendment by Declarant. In the event Declarant shall seek to obtain approval of this Declaration, the Bylaws, Rules and Regulations and/or the Articles of Incorporation and the development plan, as the same may be changed or supplemented, in order that Lots will be eligible for loan approval, guarantee or insured by Veterans Administration ("VA"), the Department of Housing and Urban Development ("HUD"), the Federal Housing Administration ("FHA"), the Federal

National Mortgage Association ("FNMA"), or other governmental or lending or insuring agency, it is possible that such agency or agencies will require change in this Declaration and other documents in order to make the Lots and units eligible for such loans. In such event, Declarant, in its sole discretion, without the consent or approval of any Owner (Member) shall have the right to amend the Articles of Incorporation, Bylaws, this Declaration and/or Supplemental Declarations and other documentation and the amendment shall become effective upon recordation of the amendment. This right shall exist and continue until Declarant disposes of all of the Lots and may not be amended without the written consent of the Declarant, its successors or specific assigns to whom such right is assigned.

Section 7. Signatures Following Meeting. At any place herein where it is required that a certain percentage of Members approve the adoption of an amendment, an approval or consent of any other matter, such percentage requirement may be obtained after any required meeting, provided the motion for approval was not defeated, by obtaining the signatures of Members sufficient to meet the required percentage.

Section 8. Modification By Declarant. Declarant reserves and retains the absolute right to delete, amend, modify, change or expand the terms and conditions of and any documents associated with the Association until the sale of all Lots. A change in a recorded document will be recorded in the Office of Register of Deeds of Forsyth County, North Carolina. All existing owners and purchasers of Lots, their heirs, successors and assigns shall be bound by the subsequent recordings, if any.

ARTICLE X

RIGHTS OF FIRST MORTGAGEES

Notification of Default by Mortgagor. Any first mortgagee of a Lot shall be entitled, upon their written request to the Association, to written notification by the Association of any default by the Owner-mortgagor of such Lot in the performance of such Owner obligations under the Declaration when such default is not cured within thirty (30) days from notice of its occurrence.
